Hi Sarah,

Sorry for delay in getting back to you but I have been crazily busy ahead of next week's event.

I attach the programme for the UK Pavilion which I hope you will find of interest. As I mentioned many of the project promoters will be joining our stand and I will be joined by my colleagues who are working across the UK with developers and local authorities/LEPs who would be happy to speak to you about potential investment opportunities. In fact I was in Southampton yesterday and visited Fawley Waters which reminded me of Filton Airfield – I attach details in case of interest.

We also have a number of receptions which you and your colleagues are welcome to join. Do you want to have a separate catch up over coffee or lunch? Let me know.

Looking forward to seeing you next week.

Best
[REDACTED] (S40)

Hi Sarah,

Sorry I haven't forgotten you and I would 100% like to catch up whilst we're at MIPIM. We are just finalising our programme and sending out invites. I will try and get something to you either later today or Monday. Is that ok?

Hi [REDACTED] (S40)

I am finalising diaries for MIPIM now and I just wanted to check if there are any events that you wanted YTL to attend or if you have time to catch up while we are there?

Thanks,

Sarah

Dear Sarah,

Thank YOU and Robert for your time and the in depth update on the development. I was as taken and enthused about the project today as I was when I visited with Vicki last year.

I'm really pleased you had the opportunity to meet [REDACTED] (S40) and as [REDACTED] (S40) and I said in the meeting please don't hesitate to reach out to us at any time.

Thank you also for your MIPIM attendance list. I have your and Robert's emails but can you kindly let me have the other email addresses so that we can issue invites?

Thank you so much again and [REDACTED] (S40) and I look forward to seeing you at MIPIM.

Best
